EmeSphere Disinfectant 40

PRODUCT PRESENTATION

EmeSphere Disinfectant 40 is an EPA registered ready to use no-rinse disinfectant and all purpose cleaner and works well on a variety of non-porous surfaces such as stainless steel, ceramic, chrome, plastics, etc. EmeSphere Disinfectant 40 is effective against a broad spectrum of viruses and bacteria and used widely in hospitals, schools, workout facilities, locker rooms and common public areas. EmeSphere Disinfectant 40 is also NSF registered for use in and around food processing areas.

CHARACTERISTICS

- Ready to use - clean in one easy step
- Contains the most efficient quaternary compounds
- Eliminates odors and bacteria
- Helps fight cross-contamination

PROPERTIES

APPEARANCE: Clear Liquid
ODOR: Slight Wintergreen

SPECIFIC GRAVITY: 0.989-1.00 (8.47 lb/gal)
pH of concentrate: 11.5 to 12.0

USES

Can be sprayed, wiped, mopped or sponged onto surfaces to be disinfected. Let stand on non-porous surfaces for a minimum of 10 minutes in a single application.

SAFETY

Caution: Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling.

First Aid:

- **For Eyes:** Immediately flush eyes with water for at least 15 minutes while holding eyelids open. If irritation persists, get medical attention.
- **If swallowed:** If the material is swallowed, get immediate medical attention or advice. Do not induce vomiting.
- **If on Skin/Clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call poison control center or doctor for treatment advice.
- **In event of an emergency, call INFOTRAC at 1-800-535-5035.**

STORAGE AND DISPOSAL

This is a water based product and is subject to freezing. Store in warm dry area above 32° F. Dispose of in accordance with all local, state and federal regulations.
